Dear Hiring Manager,

I am writing to express my interest in the Graduate Management Trainee position at Black Buck , With a solid foundation in SQL, Excel, and Python, along with hands-on experience in data analysis tools like Power BI and Tableau, I am well-equipped to contribute effectively to your team. The opportunity to work with Business Heads or Category Heads to drive strategic programs, as well as the potential to start as a Product Analyst, excites me.

Throughout my academic and professional journey, I have honed my skills in data analysis, visualization, and automation. My proficiency in SQL and Excel allows me to efficiently manipulate large datasets, while my experience with Python has enabled me to perform advanced data analysis and automation. Additionally, my ability to create dynamic dashboards and visualizations using Power BI and Tableau has provided key stakeholders with actionable insights to support data-driven decision-making.

I am particularly drawn to this role because it offers the chance to apply my technical skills in a strategic setting while learning from experienced leaders within your organization. I am eager to contribute to Black Buck's success by supporting high-impact programs and gaining valuable experience in product analysis. I look forward to the opportunity to discuss how my background and skills align with your needs.

Sincerely,

B Kohima Sai sree
